## Evergreen and Deciduous

Our stock of well grown shrubs is again in complete assortment. We have had the good fortune to be able to maintain our planting schedules throughout the past few trying years.

All of our shrubs are graded according to, and above, the Standards of the American Association of Nurserymen.

Orders for less than ten plants of a variety or grade will be invoiced at an advance of 25% over the ten rate. This does not refer to varieties listed as balled and burlapped.

Prices quoted do not include cost of packing. See Terms and Conditions of Sale on inside of back cover.

*One of our many blocks of well-grown Shrubs.*

### Special Shrub Offerings

We are again featuring our popular bargain shrub offers in an excellent assortment of varieties. All of these shrubs are two years old, or older; they are stocky, well grown material, and will meet with ready re-sale. All bundles will be properly labeled.

## AZALEAS

Not only are these shrubs very popular for landscape planting, but also most of the evergreen varieties are in great demand for forcing under glass. Many florists have difficulty in obtaining sufficient of these gorgeous flowering plants to take care of the Easter and Mother's Day demand.

For many years we have specialized in the production of Azaleas. We suggest that you place your orders early for these most beautiful of all flowering shrubs.

# DECIDUOUS TREES

We are proud to present a particularly large and fine assortment of Shade and Flowering Deciduous Trees. They have all been frequently transplanted and given plenty of space in which to grow which assures them of having both beautiful heads and splendid root growth.

Please note that, when less than 5 trees of a grade are ordered, our price per tree will be 10 per cent above our 10 rate.

**ACER dasycarpum** (Silver Maple). 70 to 80 ft.

Popular quick-growing shade tree with leaves silver on the underside.

15 to 18 ft., 3 to 4 in. cal. ....\$60.00 \$575.00

**A. dasycarpum wieri** (Wier Maple). 65 to 80 ft. A graceful and lovely lawn tree, similar to the Silver Maple, with drooping finely cut foliage.

10 to 12 ft., 1½ to 2 in. cal. .... 25.00 .....

**A. platanoides** (Norway Maple). 60 to 70 ft. A handsome and familiar round-headed tree, its leaves turning a golden yellow in late autumn. The most popular of all trees for street planting, since even the larger sizes transplant well, and are tolerant of city conditions. We believe that no better trees of this variety than those, which we grow here at Little Silver, can be obtained anywhere.

- A. platanoides schwedleri nigra** (Patent applied for). 50 to 60 ft. This is unquestionably the very best purple-leaved Maple thus far introduced. It carries very attractive dark purple foliage continuously from late spring, or early summer, right up until the leaves drop in the fall of the year. This is certainly a sensational variety, and one which we believe is destined to take the place of *Acer platanoides schwedleri*.

# EVERGREEN TREES

Our Evergreens have all been grown and graded up to and above standards adopted by the American Association of Nurserymen. In addition to this, they have all been sheared and transplanted frequently, assuring them of a very high average in quality.

All prices of Evergreens quoted in this Price List refer to extra selected specimens, carefully dug with balls of earth, encased in burlap or similar material.

## NOTICE

We are very sorry to advise that we cannot accept any orders calling for Balled and Burlapped Evergreens except in carload lots, or for delivery by truck. Just as soon as box lumber becomes available, we hope again to be in a position where we can fill in a proper way orders which call for balled and burlapped material for shipment in wooden cases.

# HARDY PERENNIAL PLANTS

We continue to devote much care and attention to this department. Each year we test numerous novelties, but we do not offer such varieties to our patrons until after we have become firmly convinced that they possess real merit. Of course, we also continue to grow practically all of the dependable older varieties; in fact, we are proud of the comprehensive list of dependable Hardy Perennial plants that we are growing.

Prices refer to sturdy, field grown plants (unless stated otherwise), such as can be depended upon to produce quick and satisfactory results.

Orders for less than ten plants of a variety or grade will be invoiced at an advance of 25% over the ten rate. We have found it necessary to do this because of the extreme labor shortage.

## Real Bargains

Our sales of special offers of Hardy Perennial plants have steadily increased, which indicates many satisfied customers. A trial order will convince you.

Kindly indicate, when ordering, whether you prefer tall-growing, medium-growing or dwarf-growing sorts. We will endeavor to comply with your wishes, in as far as possible.

## We Invite You

To visit our nursery whenever you find it convenient to do so. Not only would we enjoy chatting with you, but also we feel very sure that a visit to our nursery would be mutually profitable.

We have a large supply of well grown stock, much of which you can undoubtedly handle to good advantage—so come see us—you'll sure be welcome.

## GARDEN FRUITS

### Blueberries (Huckleberries)

This season it is our good fortune to offer our patrons a large supply of Blueberry (Huckleberry) plants in splendid assortment, and never before have we handled Blueberry plants which average so high in quality as those which we are offering in this Price List.

It should be kept in mind that Blueberry plants are greatly benefited by cross pollenization, therefore, we recommend that plants of at least two varieties be planted in reasonably close proximity to one another.

We believe that the following list of varieties comprise the very best sorts as yet introduced:

**Cabot.** Earliest, with a heavy crop of big, delicious blue fruit on a high-branched bush.

**Concord.** Ripens with Pioneer, bearing large fruit of excellent flavor.

**Jersey.** New variety, ripens with Rubel, with large, well flavored, attractive berries.

**June.** Extra early. Berry is large, sweet and delicious.

**Pioneer.** Ripens early in the season, with spikes of very blue berries.

**Rancocas.** Ripens just before Rubel, with heavy yield of tasty berries.

**Rubel.** Latest, and heaviest, bearing of all. Best for canning.

**Scammell.** An improvement on the variety Jersey.

**Stanley.** Midseason; fruit large. Declared by many to be most delicious of all blueberries.

## Terms and Conditions of Sale

The prices published in this list cancel those in all previous lists. They are based on present market conditions and are subject to change without notice.

**SPECIAL NOTICE**—We exercise the greatest care to keep our stock clean and true to name. Should any be otherwise, we will return the money paid or replace it with other stock, but beyond this we are not liable for damage. A sure indication of the purity of our stock is that our customers continue to deal with us year after year. A Certificate of Inspection is attached to each shipment.

**PRICES**—These prices apply only to orders placed by bona fide Nurserymen, Florists and Dealers. Not less than 5 of a variety and size will be supplied at the 10 rate (for exceptions see Pages 1 and 26), not less than 25 at the hundred rate, and not less than 250 at the thousand rate.

**SPECIAL SELECTION**—All stock when specially selected on the Nursery will be sold at prices commensurate with the value of the specimens chosen.

**PACKING**—All stock is carefully packed in boxes or bales, for which a charge will be made based on actual cost of packing material used. This packing charge will apply to orders which have been paid for in advance of shipment, as well as charge orders. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the forwarders alone are responsible.

**CLAIMS**—If claims are made upon receipt of goods they will be carefully and cheerfully examined and adjusted. Any claims made 15 days or more after receipt of goods will not be entertained.

**TERMS**—60 days net, 2% discount 10 days, from date of shipment. Interest at 6% per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from customers not known to us. C. O. D. orders must be accompanied by 25% of the purchase price. When ordering please use printed stationery or enclose business card.
